Can we have 9 lengths of w01  
timber 32x150 x 41500

Steve, RGB Called to say:  
that

① they have 4 or 5 lengths of w01  
I so how many would you like?

② They dont have 50x50 (would be 45 finish)  
they could cut/make a special order but  
it would take 1 1/2 week to get.

they do have 30x30

Also what length do you need

Can you call Charles at RGB to

01237 473371 let him know
