Problem

the cupboard in the twin bedroom not closing and the hinges are now unmountable as there is no wood left to screw into

Notes: The site have advised:

Neal has been over and looked and has come to the conclusion that the strip of wood about 6 inches wide and the full length of the cupboard needs replacing. This is not under warranty and not something we can do for them

Details of Work Done

replaced wood remounted hinges top - bottom
 middle one missing

Side distorted by weight of TV shelf door just closes
