Hi Ade

Can you please find out what it would cost to retro fit an integrated washing machine into a Swift Chamonix Lodge for me please.

I have our stock number 33066 out on pay when sold at Franchis and they have had a couple of interested parties looking but they have both commented on it not having a washing machine.

Could you email the quote through to Phil & Kate at Franchis for me please so they have the details encase whoever buys it would like to add this option to it.

Thanks
Emma
